(a) If a registration statement purports to register securities to be offered pursuant to terms which provide for a change in the amount of securities being offered or issued to prevent dilution resulting from stock splits, stock dividends, or similar transactions, such registration statement shall, unless otherwise expressly provided, be deemed to cover the additional securities to be offered or issued in connection with any such provision.

(b) If prior to completion of the distribution of the securities covered by a registration statement, additional securities of the same class are issued or issuable as a result of a stock split or stock dividend, the registration statement shall, unless otherwise expressly provided therein, be deemed to cover such additional securities resulting from the split of, or the stock dividend on, the registered securities.
